

*Majesty oh Majesty*

Greetings in the infinitely precious name of Jesus,

All glory belongs to Jehovah alone. It is at the name Jesus that every knee shall bow and every tongue confess that Jesus Christ is Lord. The unfathomable concept of the Father, Son and Holy Spirit co-existing as one only requires child-like faith to trust in the Trinity.

This album, Majesty oh Majesty is only possible by the grace, breath, body, talent & wisdom lent to me by God. A vessel yielded to its Master realizes blessings you can't contain. Jesus is indeed King of Kings , Lord of Lords , Faithful & True.

To you Rajen, I extend a special thank you for your dedication, understanding, loyalty and excellence in this project. My thanks also goes to your family for their sacrifice

To Romy and Tiffany, once again, without complaining you spent long lonely nights while I was away recording. Thank you for giving me over to God to accomplish His vision.

To my family and friends thank you so much for your support.

Once again to Jehovah, God eternal, you deserve infinite glory.

Colin Bennie

*It was a busy night  
In Bethlehem  
In a stable  
A Babe was born  
A small earthly choir  
And thousands of angels  
Sang their praise to You*

My Lord, My King  
My Saviour's born  
To die for me  
I love You, I worship You

Splendour laid aside  
For a lowly manger

Cast down their crowns  
The angels  
Bow down to You  
Born of man  
Jesus, God incarnate

Of all mankind

God, You gave Your only Son.*

Perhaps another time  
I'll hear and I'll listen*

Jesus is calling your name  
Precious child when will you say,  
Lord, Your servant is listening*

Who walked a road of pain alone  
Whose mercies bring us home  
Lord I know, Lord I know*
